Village Craft Sale

We have had a number of requests to do a craft sale. If we have the interest, we plan to give it a try this year on a limited basis.

Our thoughts:

1. See if there is an interest by our residents to have a venue to present their crafts, handmade items or baked items.
2. If we get a number of residents interested and not enough to have a full fair, we would open it to outside providers.
3. Cost to residents would be \$10 per table.
4. Only handmade items would be allowed. No resale of items.
5. It would be open to groups within the park. If a group wants to do a raffle, it is an excellent way to earn income.
6. We would have 50/25/25 available to purchase with a set time for the drawing.
7. The time would be 8 AM to noon. (This is subject to change.)
8. We would advertise to try to get a good turnout of customers.

Any money we earn from the table fee and 50/25/25 will go to the park, but we are not expecting to make a large amount. We are just testing the waters.

If this is successful, we may consider doing a lunch in the future.

We are coordinating this with the craft show as there have been many requests to purchase items at that show.

If you are interested, please contact Kay Rodrique or Linda Boddy or sign up at the Monday morning meeting.

Activities

Siesta Cookbook

The cookbook is now complete and ready to send to the publisher.

We will begin pre-sales of the cookbook this Monday, January 17th at the Monday Meeting. Please come order your cookbooks and prepay – the cost will be \$15 per book.

We anticipate that everyone will want to order more than one – for family members, wedding or shower gifts and, of course, one for yourself.

I can guarantee there are many, many fantastic recipes in there – 298 to be exact!

Please bring cash or a check made out to Siesta Village.

Shuffleboard News

Our first shuffle board tournament of the season was a great success thanks to all of the wonderful volunteers we have here in the village, from the kitchen workers and hall helpers to running the outside courts and handling all the shuffle entries.

A big thank you to Mike and Cookie for the great burgers and Helen and Joe for the awesome salad. Also the donations of such wonderful desserts. It takes a team to run a shuffle tournament and we had an awesome team of workers. THANK YOU!

Let's congratulate Bryan Klinkhammer for winning 1st in Con. in the expert division and John McEachern 4th in the amateur division. Well done! You definitely made us proud.

The shuffle committee handed the social board the proceeds of the tournament to the sum of \$1332.05.

Our next shuffle tournament will be a doubles, held on Tuesday and Wednesday, Jan. 25-26, and the trophy round played Thursday, the 27th. Next week I will again have clipboards going around for volunteers and dessert bakers. We had such wonderful comments on the variety of desserts, so we hope to achieve that again.

Thank you! Shuffle board Committee
Helen Lamson, Sharron Klinkhammer, and
Sharon Penner

Congratulations!

Hoss Collar

The Hoss Collar Shuffleboard game has often met on Thursday evenings in the past. The time and day have now changed: to Monday at 10:00 following the Monday morning meeting.

Bring a que if you have one or choose one from the collection in the shuffle house. We would like a mix of old and new shufflers to play the game. It is an excellent game for the new shuffler.

Rules of the game will be reviewed. Your team members will help with any questions. Normally there are three shufflers on a team taking turns at trying to place the disc to count.

**YOU DO NOT NEED TO BRING A \$ 1.00
COME PLAY WITH US. WE WANT YOU! WE
NEED YOU!**

Laughter Yoga

Laughter yoga is a unique concept where anyone can laugh for no reason. It is a combination of laughter exercises and yoga deep breathing. This brings more oxygen to the body and the brain, which makes one feel more energetic.

Brenda Bingman's aunt, Carol Giner, is a certified laughter yoga teacher. She will hold an introduction class in the Village Hall on Tuesday, Jan. 25, at 11:00 AM.

The class will last less than one hour and it is free. No equipment is needed.

Join the laughter yoga hokey pokey session. . . and turn yourself around!

THAT'S ENTERTAINMENT!!! SPITTIN' IMAGE

Identical Twin Duo - Music & Comedy
January 22, 2022 Saturday 7:00 P.M.

Blain and Brian Swabb are Spittin' Image - identical twin brothers who love to sing and play their instruments as much as they love to entertain an audience. They'll present their show of music and comedy on January 22, 2022, Saturday evening at 7:00 P.M. in the Village Hall. They'll take you on a happy trip down memory lane singing classic country and classic rock, but you'll likely hear Motown, bluegrass and blues as well. They intertwine wonderful harmonies with excellent musicianship, and mix it all with a variety of fine-tuned comedy routines, audience participation, and a high-energy show.

Blain and Brian were born and raised, and still live in Greenville (Darke County), Ohio. They started picking their instruments at a young age, and by the time they turned 13 years old, they had formed their first group. Learn more about the twins at the Social Club meeting on Monday morning.

Tickets are \$8.00 each, and are available at the Social Club meeting and in the Siesta Village Office. You may also contact Hills at 3121 Casa Grande, 956-246-1237.

Doors open at 6 P.M. Soft drinks, popcorn and ice cream bars are available.

Entertainment is open to the public. Tickets are available at the door. Invite your friends to join you for a great show. See you there.

We will have quilting today, January 17th at 1:00 PM in the Craft Room. This week we will decide which project we want to work on next – making a bag or making a mug rug. We will have patterns to look at and decide which we want to work on first.

Our group is for all levels of quilters. We welcome anyone who is new to quilting or someone who has been doing it for a long time and is willing to share their talents with us. Please join us and see if it is something you would be interested in.

Please remember to bring any "Show & Tell" you might have, or any ideas or suggestions you have.

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
