Siesta Village Doubles Shuffle Tournament

Our second shuffle tournament will be held Tuesday, Jan 25, Wednesday, Jan 26 and the trophy round will be Thursday, Jan 27.

We will be serving lunch on Tuesday and Wednesday and the Jammers will continue to host the Thursday lunch.

We hope to see more Siesta residents come join us for lunch and watch the matches being played. The menu will be burgers and salads with all the trimmings, as well as pie and dessert.

Again we ask for your pie or dessert donations as well as volunteers to help with this event.

It truly does take a village to put on these tournaments and all proceeds go back to us here in our village.

Our first tournament was a great success due in large part because of all the volunteers and pie bakers. Let's see if we can match the first tournament.

I will have the clip boards on the kitchen counter Monday at the 9 AM meeting.

Thank you, Sharon Penner
Shuffle board treasurer

Village Craft Sale

We have had a number of requests to do a craft sale. If we have the interest, we plan to give it a try this year on a limited basis.

Our thoughts:

1. See if there is an interest by our residents to have a venue to present their crafts, handmade items or baked items.
2. If we get a number of residents interested and not enough to have a full fair, we would open it to outside providers.
3. Cost to residents would be \$10 per table.
4. Only handmade items would be allowed. No resale of items.
5. It would be open to groups within the park. If a group wants to do a raffle, it is an excellent way to earn income.
6. We would have 50/25/25 available to purchase with a set time for the drawing.
7. The time would be 8 AM to noon. (This is subject to change.)
8. We would advertise to try to get a good turnout of customers.

Any money we earn from the table fee and 50/25/25 will go to the park, but we are not expecting to make a large amount. We are just testing the waters.

If this is successful, we may consider doing a lunch in the future.

We are coordinating this with the craft show as there have been many requests to purchase items at that show.

If you are interested, please contact Kay Rodrique or Linda Boddy or sign up at the Monday morning meeting.

Activities

Time to Tailgate!

Just a reminder, the 2022 Tailgate Party is quickly approaching!

Join us on February 5th, starting at 5:30 for socializing and dinner to follow.

Dress up in your favorite team apparel. We encourage you to show up to decorate your table.

Tailgate games will be set up throughout the hall for all attendees to play. Bags, ladder toss, football toss, putting and chipping and a few others.

Team can compete around the games. Form a team of six members. Each team will assign two members to two games. Scores will be summed with awards. A championship traveling trophy will be awarded to the winning team for the year.

Contact Dawn and Paul Bowers or Keith and Terry Atkinson for tickets or questions. Tickets are also available in the office.

Social Hour Dance This Week!

Come one, come all to the Wednesday afternoon social on January 26th, 3:00 to 5:00 pm.

This week we will be hosting Diego and Edith. If you have never been to a social hour before, you are really missing out on a good time.

There is no admittance fee, just a good will offering. Hope to see you there!

Hoss Collar

The Hoss Collar Shuffleboard game has often met on Thursday evenings in the past. The time and day have now changed: to Monday at 10:00 following the Monday morning meeting.

Bring a que if you have one or choose one from the collection in the shuffle house. We would like a mix of old and new shufflers to play the game. It is an excellent game for the new shuffler.

Rules of the game will be reviewed. Your team members will help with any questions. Normally there are three shufflers on a team taking turns at trying to place the disc to count.

YOU DO NOT NEED TO BRING A \$ 1.00
COME PLAY WITH US. WE WANT YOU! WE NEED YOU!

Siesta Cookbook

We are now doing presales for the Siesta Cookbook. We got a good start last week, but still need to sell many more of them.

Buy one for yourself, your family, your friends. They make wonderful gifts. I know that many people use Pinterest and other sites to find recipes, especially the younger generation. But I still get calls from my grownup kids and now grandkids asking for recipes, so get them this cookbook and they might find it's fun to see different recipes from all over the United States and Canada.

This is also a fund raiser for the village, so please support Siesta with the purchase of at least one cookbook. The price is \$15 and I will be selling them at Monday meetings until I get them all sold.

If you can't make it to the meeting, just give me a call at 320-491-8376 and if I'm home you can come over to my house at 3015 San Jacinto and get your order in. If I don't answer the phone, please leave me a message and I will return your call (too many robo calls, so if you're not in my contacts I won't answer) but I promise I will return your call if you leave me a message. THANK YOU!

Laughter Yoga

Laughter yoga is a unique concept where anyone can laugh for no reason. It is a combination of laughter exercises and yoga deep breathing. This brings more oxygen to the body and the brain, which makes one feel more energetic.

Brenda Bingman's aunt, Carol Giner, is a certified laughter yoga teacher. She will hold an introduction class in the Village Hall on Tuesday, Jan. 25, at 11:00 AM.

The class will last less than one hour and it is free. No equipment is needed.

Join the laughter yoga hokey pokey session. . . and turn yourself around!

Golden Age Olympics

Stew McCrae won Gold on Tuesday 10 ball.
Larrie Kidd won Silver at Eddie's Billiards.

We will be meeting today, January 24th, in the Craft Room at 1:00 PM. Today we will be making tote bags – bring your sewing machine and fabric and we will begin making the totes. I sent out supply lists last week so hopefully you decided which bag you want to make and have your fabric ready to start sewing. If you didn't get the list, let me know and I will get it to you.

Our group is for all levels of quilters. We welcome anyone who is new to quilting or someone who has been doing it for a long time and is willing to share their talents with us. Please join us and see if it is something you would be interested in. And, as always, bring your "Show & Tell." It is always fun to see what everyone is working on.

"HAPPY STITCHING"

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
