Siesta Cookbook

We are getting close. We have sold 190 cookbooks, so only have 36 more to sell. I will be at this Monday morning meeting, February 14th, again selling them but this is the last Monday I will be selling them at the meeting.

If you miss the meeting you can still purchase one. Just call me at 320-491-8376 and we will set up a time for you to come to my house and purchase one. My address is 3015 San Jacinto.

It would be great to have them all spoken for by the time they get here. It has now been 3 weeks since they were ordered so I am expecting them to arrive soon. Thanks to everyone who has purchased one. Your support is greatly appreciated.

Quilting Today

There will be quilting today, Monday, February 14th at 1:00 PM in the Craft Room. Today we will be making "Mug Rugs" learning how to applique and do a little machine quilting. Bring your sewing machine and supplies if you want to make them in class. It is a small project so we should be able to finish them this afternoon or be far along enough to finish them at home.

Our group is for all levels of quilters. We welcome anyone who is new to quilting or someone who has been doing it for a long time and is willing to share their talents with us. Please join us and see if it is something you would be interested in. And as always, bring your "Show & Tell" because it is always fun to see what everyone is working on.

Happy Stitching!

PETER PIPER PIZZA BIRTHDAYS! WED. FEBRUARY 16, 11:30 AM

This month we are celebrating FEBRUARY and AUGUST birthdays and anniversaries with all-you-can-eat pizza and salad buffet at Peter Piper, Weslaco. Please bring a 9X13 cake cut into 15 pieces if it's your month to celebrate.

Sign up on the clip board in the hall so we know how many tables to reserve, how many cakes will be shared and how many years you've been married.

Don't forget to bring your Peter Piper mugs for FREE beverages!

Wear your name tag, meet your friends and neighbors and wish them a Happy Birthday or Anniversary. EVERYONE is welcome!

The clip board will be taken down on Tuesday Feb. 15th at noon. See you there!

Questions? Call Jan Belmonte, 651-335-7759.

Our two January tournaments were a great success. We enjoyed good weather for both of them and we THANK THE FANTASTIC TEAM OF WORKERS!

Due to our success, the Texas State Shuffleboard Assoc. (TSSA) has requested us to host a "Rookie Singles Shuffleboard Tournament" on Feb.25.

All the proceeds again will go to Siesta Village. It will be a small tournament on the Friday when we normally have "Friday Friendly" scheduled on the Village calendar. The event will be held outside including the lunch, which will be hot dogs purchased by TSSA with the proceeds going to Siesta Village.

Thank you to the social board for the OK to hold this tournament on our Friday Friendly day.

This tournament is for shufflers who are rookies or first time tournament shufflers. There is a list of Siesta shufflers who are participating. If you are interested, please read the details of the event in the shuffle shack. The tournament Director, Brenda Noakes, is the President of the TSSA Board of Directors. Our team will assist in management.

The following donated to purchase new sets of discs:

Bryan and Sharron Klinkhammer,
Chris Christopherson
Bob Martin
Gerald and Helen Lamson
John and Shelley McEachern
Jerome and Betty Haack
Casey Maslow and Sharon Penner
Lyn and Maureen Heaman

Plaques have been placed on the benches honoring the memorial donations for the new discs.

We are so thankful for the time and effort our Maintenance Team of shufflers are freely giving to maintain the courts. After the summer tornado and storm had taken off seven of the Siesta Village scoreboards, our team of Siesta men rebuilt scoreboards, painted, and prepared the courts to a standard ready for tournament play. We say thank you to Bryan Klinkhammer, John McEachern, Lyn Heaman, and their team for volunteering to do the job and for continuing to maintain the courts.

SRV Craft Fair

The date and time for the craft fair is Saturday, March 5, from 1:00 to 4:00 pm. We will use the morning to set up.

We have many Village residents interested in sharing their talents with you.

If you are interested in sharing your talents, please contact Kay Rodrigue at 763-280-1245 or Linda Boddy at 660-723-1536.

The annual Hobby Show is scheduled for the following day, Sunday, March 6. More information about this will be coming in the next few weeks.

Please plan to attend these events and support these talented people we have in our Village.

The Villager Submission Information:

- There is no fee to list your events in The Villager. You may reach people this way who are not able to attend all Monday meetings.
- If you have information you would like in The Villager, it needs to be submitted by 9 PM the Wednesday prior to Monday publication.
- You need to write the submission exactly as it will appear in The Villager. I will not write your article. If you would like your article to be included for more than one week, please indicate the number of weeks you would like it to run.
- I prefer you email your requests to siestavillager@gmail.com. Also, if you email, please put your submission in the body of the email, not as an attachment.
- If you aren't able to email your information, you can put your information in The Villager mailbox at our home (3134 San Jacinto) or text me at 954-802-7123. The deadline is still the same for these submissions.
- Also, there are times we need to send out an announcement via email. Please ensure I have your updated email address. Emails will be sent for last minute changes or updates; not for information that missed the submission deadline.
- Print versions of The Villager are available for 50 cents in the office or at Monday meetings. Digital versions are available for free on the SRV website.

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
