News/Updates

We Need You!

The SRV Social Club Board is already making plans for next year's calendar of activities. These great events are only made possible through the work of volunteers.

We need people willing to both chair events and help with activities, such as dinners, breakfasts, dances and entertainment. No experience is required! The more people who volunteer, the less work any one person has to do.

There are so many new residents in the village who can bring fresh ideas and new energy. It is also a great way to meet people and make new friends in our community.

We will have sign up sheets at the Monday meetings in coming weeks and encourage everyone to find one (or more) activities to help with next year. You can also contact one of the Social Club Board officers to volunteer.

2022 Directory

The SRV 2022 Directory was delivered to Nickel Printing in McAllen on February 16th. It is anticipated to be finished on February 25th.

We have ordered 350 copies, like the previous orders. It is our hope to begin distribution on Monday, February 28th.

One copy will be given to each household. An additional copy will cost \$5.00. If you are trying to pick up for another owner, you will need to sign off that you took their copy.

We are trying to be prudent with distribution as this project does cost the Village \$1,500.00.

The SRV Cookbook Is Here!

The SRV cookbooks have arrived! Those of you who already purchased books can pick them up at the Monday meeting. We ask that you have ONE of the following: your receipt, your name tag or another form of ID.

There is a limited number of books left to purchase. If you still want to buy a book for \$15, they will be sold on a first come, first serve basis.

Thank you to the people who contributed recipes, the volunteers who helped and all those who bought a book. This has been a very successful fund raider for the village.

Social Club Board Officers

The Social Club Board is currently accepting nominations for next year's Board. We are in need of a Secretary and Second Vice President. If you are interested, please contact a current officer or Lois Greinke, the nominating committee chairperson.

Thank You!

Thank you to Dan Christensen for painting the JWL mailbox and placing it in the library for Gabriela Silva to pick up.

It looks great and no postage is required!

FYI: Pool Room Door

Just a reminder when entering the pool room door from the east, there is a push button automatic door opener from both sides.

Several people have tried to open the door manually and thus the door has had to be repaired by Jerry Burton.

Obviously, the cost of new gears and hinges is something we do not need to incur as a village.

PLEASE do not manually open the door. Use the push button on the side.

Ladies Salad/Dessert Luncheon

The ladies salad/dessert luncheon is over for 2022 and I think it was a great success.

Everyone left with a smile and a full stomach.

I need to thank my many helpers: Barb, Barb, Karen, Pat, Germaine, Peggy, Nancy and Vera - could not have done it without all of their help. (P.S. we are already planning for next year!)

THAT'S ENTERTAINMENT!!! PICKPOCKET GENE March 6, Sunday 7:00 P.M.

Gene Turner is a pickpocket entertainer. He will present his ____ show (not a musical) on March 6, Sunday evening at 7:00 P.M. in the Village Hall. The Entertainment Committee is hesitant to share much about his performance as the element of surprise is essential to his ... antics. DO NOT MISS THIS SHOW!!!

Gene is in demand as a corporate magician, pickpocket infotainer ("someone who uses entertainment to inform or educate"), and keynote speaker at well over 150 events each year, from retirement villages and Winter Texan parks in the Rio Grande Valley to Fortune 500 companies. YOU WILL LEARN VALUABLE INFORMATION ABOUT _____ and _____.

Tickets are \$9.00 each and are available at the Social Club meetings on Monday mornings and at the SRV office throughout the week.

Entertainment is open to the public. Tickets are available at the door. Invite your friends to join you for a great show. Doors open at 6:00 P.M. Popcorn, ice cream bars and soft drinks are available. There will be a 50/25/25 drawing and door prizes. See you there!

Quilting Today

We will be meeting today, February 21st, in the Craft Room at 1:00 PM. We will be having a demonstration on flange binding and working on finishing our other projects. If you want to work on your projects, bring your sewing machines and supplies.

I will also be handing out the materials list for the Spinning Seams block that we looked at last week. The Hobby Show will be coming up in a few weeks so we need to discuss what we want to do there. So many things happening!!

Our group is for all levels of quilters. We welcome anyone who is new to quilting or someone who has been doing it for a long time and is willing to share their talents with us. Please join us and see if it is something you would be interested in. And as always, bring your "Show & Tell" because it is always fun to see what everyone is working on.

Happy Stitching!

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
