News/Updates

Lunch Bunch

Join us for the next Lunch Bunch which will be on the first Monday in November, the 7th, at 11:30 AM.

We will be going to Mr. Gatti's in Weslaco (private room reserved).

Sign up sheets will be in the main hall and the all purpose room. Car pools available. If you have any questions, call Bob Keppy at 651-491-3065.

Jam Lunch Price Increase

Due to rising cost of food, we are raising the price of the lunches on Thursdays to \$8.00 starting 11/10/2022.

Meals will still include pie, tea and coffee at no additional charge. We are here to raise money for our community and your support is the key to success. All proceeds are given back to Siesta Village.

There's no better way to get to know your neighbors, visit with old friends or make new ones. Please come down and enjoy a great meal with us on Thursdays at 11:30 am. All are welcome!

SRV Social Calendar Print Version Distribution

The monthly activities calendar will be provided on a month by month basis this year to help ensure that all activities (entertainment, dances, dinners, etc.) are as accurate as possible.

The calendar will be included in The Villager on the first Monday of each month. You will find the November calendar as the last page in this week's issue.

You can purchase a copy of The Villager (including the calendar on first Monday of the month) at the Monday meeting, in the office or download a copy for free from the SRV website.

You can access previous issues of The Villager at the SRV website

Activities

Lasagna Dinner

Mark your calendars! The annual SRV Lasagna Dinner will be Friday, November 11. Gather for social time at 5:30 PM, with dinner starting at 6:00 PM.

Tickets will be \$10 for lasagna, salad, garlic bread and dessert.

You can buy tickets at the Monday meeting.

Fallen Fruit Pick Up

If your yard has fallen fruit, you can bag it and put it out so the maintenance men can pick it up at no charge.

Please note that if a resident sets out anything else, other than fruit, they will be charged for a trash pickup.

Quilting Begins Nov. 14

The quilters will be meeting starting on Monday, November 14, in the Craft Room at 1:00 PM. We will be discussing our plans for this season, especially the Quilt of Valor project.

If you are looking for a new activity for this season, our group is for all levels of quilters. We welcome anyone who is new to quilting or someone who has been doing it for a long time and is willing to share their talents with us. Please join us and see if it is something you would be interested in trying.

Quilt of Valor Project

The Siesta quilters are starting a new project this year, making a quilt of valor to present to one of our veterans as a way to say thank you for your service. We will have a drawing from veterans currently living in the village who are included on the wall of honor in the hall.

We welcome donations from all residents, even if you do not quilt. We can use red, white or blue **cotton** fabrics or batting. If you don't have sewing supplies, we welcome cash donations.

If you have questions or would like to make donations, please contact Kathy Moyna or Jurene Gardner. We appreciate your support!

The Villager Submission Information:

- There is no fee to list your events in The Villager. You may reach people this way who are not able to attend all Monday meetings.
- If you have information you would like in The Villager, it needs to be submitted by 9 PM the Wednesday prior to Monday publication.
- You need to write the submission exactly as it will appear in The Villager. I will not write your article. If you would like your article to be included for more than one week, please indicate the number of weeks you would like it to run.
- I prefer you email your requests to **siestavillager@gmail.com**. Also, if you email, please put your submission in the body of the email, not as an attachment.
- If you aren't able to email your information, you can put your information in The Villager mailbox at our home (3134 San Jacinto) or text me at 954-802-7123. The deadline is still the same for these submissions.
- Also, there are times we need to send out an announcement via email. Please ensure I have your updated email address. Emails will be sent for last minute changes or updates; not for information that missed the submission deadline.
- Print versions of The Villager are available for 50 cents in the office or at Monday meetings. Digital versions are available for free on the SRV website.

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
