Join Us For Quilting!

The quilters will be meeting today in the Craft
Room at 1:00 PM. We will be working on a quick
Christmas project, so you have something new
for this holiday season or as a homemade gift.

If you are looking for a new activity for this
season, our group is for all levels of quilters. We
welcome anyone who is new to quilting or
someone who has been doing it for a long time
and is willing to share their talents with us.
Please join us and see if it is something you
would be interested in trying.

Shuffleboard News

Please come and join us for shuffleboard. We
meet at the courts every day at 9 AM and again
at 1:30 PM. Monday is always after the meetings
and Sunday is just at 1:30.

Everyone is welcome and there is always
someone around to teach you. We are there to
have fun and welcome all newcomers.

Hoss collar will start soon when we plan a good
day and Friday Friendly shuffle schedule is
posted in the shuffle shack. Hope to see you
there!

Our Siesta Village Shuffleboard tournament is
fast approaching. Save the date: Tuesday,
November 29 and Wednesday, November
30, with the playoff round on Thursday,
December 1.

I will be passing clipboards around next Monday
looking for volunteers again for kitchen & Hall
helpers as we will again be doing lunch on
Tuesday and Wednesday and the Jammers will
continue to do Thursday. We will be needing pies
and desserts, as well as cookies. Please be
generous with your time and pie donations as it
really does take the village to put on these
tournaments.

Last season we raised over \$3000.00 for our
village and hope to achieve that again this
season.

Thank you from the Shuffle committee:

Sharron Klinkhammer/Helen Lamson
Treasurer Sharon Penner

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
