### Dance Lessons With The Boddy's

Join us for 8 weeks of Trail Dancing Lessons
in the Main Hall, starting Tuesday, December 10,
from 1:00 PM to 2:00 PM.
Whether you're a seasoned dancer
or just getting started, everyone is welcome!

**Cost**: Free for SRV Residents;
$20 for non-residents (covers the full 8 weeks)

**Requirement**: Just bring a partner!

**Location**: Main Hall, SRV

Would you like to learn how to do the dances that you see people doing around the outside of the dance floor? These are sometimes called patterned dances. You learn a sequence of steps that will fit to almost any type of music played.

It will be an 8-week course. You can come to one lesson or to all of them because each week will be independent. We will review the dance we taught the week before at the beginning of the next lesson.

You will learn a new dance each week, the waltz, the cha-cha, The Branson Shuffle, the Blue Rose Is, 18-Wheeler, The 8 Step (good for polka music) Hats and Roses, and Lonely Drum.

Questions? Linda Boddy - 660-723-1536

### Lock Up Help Needed

Volunteers are needed for lock up for the upcoming months. This is a great service for our community and it requires very little of your time.

Sign up sheets are in the main hall.

If you have questions, you can contact Gerry Cram or stop by the SRV office.

Thank you!

# Activities

## Shuffle Board Tournament

Our first tournament of the season will be played on Tuesday, December 3 and Wednesday, December 4, with the trophy round played on Thursday, Dec 5.

This is a doubles tournament. Ladies will play Tuesday and the men on Wednesday. We will be preparing lunch for both days.

We will have Mike and Cookie's famous burgers, your choice of beef or chicken served with potato salad or macaroni salad with potato chips. All for just $8.00 and pie or dessert for an extra $2.00. We will have coffee tea and pop available.

We are looking forward to our Siesta residents coming to join us for lunch and maybe watch a game or two to cheer on Siesta players.

Please consider volunteering as we can always use help in the kitchen, hall, cashiers and outside to help wash the boards in between games and to pass out water.

Please be generous again as we will need pies, cookies and dessert for Tuesday and Wednesday.

Thank you!
Sharon Penner

## SRV Quilters

The SRV quilters will be meeting today at 1:00 PM in the Craft Room.

We will continue working on another veteran's quilt which we will present to a resident later this season. If you can bring your sewing machine, please do! If not, we have other jobs for you as well. Plus, we will have our weekly show and tell, so we can all see what everyone is working on at this time.

We invite anyone interested to join our group. You do not need to be an experienced quilter. We love learning new skills together!

# General Reminders

### Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

### Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,

- Any resident change of address especially within the park,

- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

### Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

### Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

### Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

### USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

### Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

### Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

### Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
