Oct 5th Monday morning Meeting in the All Purpose Room at 9 A.M.

Lady's Social and Game Day are going to be combined for the rest of summer!

SRV Community Park and Off Leash Area by Gail Runnels

From the Vet:

If your dog has recovered from heartworm, it is generally recommended to neuter them once they are fully recovered and their health is stable. As the stress of surgery during active heartworm treatment can be detrimental; most vets will advise waiting until after the treatment period is complete before neutering.

Key points: Wait for full recovery from heartworm treatment.

Ensure your dog is fully recovered from heartworm treatment, including any rest treatment before scheduling the neutering procedure.

Always discuss with your veterinarian.

Neutering a male can provide numerous health benefits, including reduced risk of testicular cancer, decreased aggression, and less roaming behavior.

Reminder: No dogs in Common Areas

We would like to remind all residents that dogs (other than service animals) are not allowed in the common areas of our community.

This policy is in place to ensure the comfort and safety of all residents and to maintain cleanliness in shared spaces.

This policy supports the community's goal of fostering an inviting atmosphere where all residents can feel at ease. By minimizing disruptions and potential conflicts, we ensure that shared spaces remain peaceful retreat for everyone.

Common areas include:

- Main Hall
- Kitchen
- Recreation Rooms
- Shuffleboard Courts
- Swimming pool area
- Mailbox Area
- Office
- Marked lawn areas

If you have any questions or need further clarification, please contact SRV Community Park Committee or SRV Board.

The Villager Submission Information:

- There is no fee to list your events in The Villager. You may reach people this way who are not able to attend all Monday meetings.
- If you have information you would like in The Villager, it needs to be submitted by 9 PM the Wednesday prior to Monday publication.
- You need to write the submission exactly as it will appear in The Villager. I will not write your article. If you would like your article to be included for more than one week, please indicate the number of weeks you would like it to run.
- I prefer you email your requests to siestavillager@gmail.com. Also, if you email, please put your submission in the body of the email, not as an attachment.
- If you aren't able to email your information, you can text me at 763-458-5495. The deadline is still the same for these submissions.
- Also, there are times the office needs to send out an announcement via email. Please ensure the SRV office has your updated email address. Emails will be sent for last minute changes or updates; not for information that missed the submission deadline.
- Print versions of The Villager are available for 50 cents in the office or at Monday meetings. Digital versions are available for free on the SRV website.

From the Cooperate Board

Reminder to all residents. You must complete a form from the architectural committee and get written approval before starting any outdoor projects.

The Siesta Village RC Group

The Siesta Village RC Group wants to say Thank you for all the support and donations! This has allowed Phase 1 of the Race Track to be near completion.

The dirt is in and concrete poured for the golf cart Parking. We are currently working on getting the electric brought over. This should be completed soon.

Next fall we plan to complete Phase 2. This will consist of building a drivers stand and putting walls around the track to keep the cars in. We will also be installing the timing electronics to be used in organized races.

We will still be needing additional donations to get the project completed.

Look for our Facebook page named Siesta Village RC. Please join the page and stay updated! Under "Files there are 2 documents. One listing the vehicle classes for organized races and the other has Track Rules and polices. Check out the documents for guidance on what vehicles will be allowed on the track.

Thank you from the Siesta RC Group

Winter Dance Season 2026-2027

This coming winter, our Village is turning the dance floor into a runway, a time machine, a tropical escape, and a fullblown celebration of music, memories, and imagination. Start planning those outfits now — every dance has a vibe, and YOU bring it to life.

Halloween Dance with Bruce Boudreau 10/31/26

Kick off the season in your favorite costume — spooky, silly, glamorous, or downright outrageous. Bruce will keep the monsters dancing all night.

Red, White & Blue Country Dance with The Lockhart's 11/21/26

Dust off your boots and show off your patriotic flair. Denim, stars, stripes — go full Americana.

The Christmas Grinch Dance with Leslie Blasing 12/18/26

Will you come as a Who, a Grinch, or something fabulously festive? Think bright, bold, and a little mischievous.

New Year's Eve Dance with Curt James 12/31/26

Ring in the new year in style — sparkle, shine, and dress to impress as we count down together.

Linda's/Lynda's January Dance with Denim & Lace 1/9/27

Theme: The Fabulous 50's & 60's

Bring your High School Graduation photo and dress in your favorite retro look — poodle skirts, saddle shoes, leather jackets, or flowerpower chic.

Rick McEwen in Mid January 1/15/27

A great night for classic, comfortable dance attire — but feel free to add a little showbiz flair.

"It's 5 O'Clock Somewhere" Dance with Justin Terry 1/23/27

Tropical shirts, beachy colors, island vibes — dress like you're on vacation.

Valentine's Dance – with Ron Moshier 2/13/27

Dress to please your sweetheart — romantic reds, soft pinks, or elegant evening wear.

Rock & Roll Night – with Vinyl Spin 2/19/27

Channel your inner rocker — leather, band tees, big hair, or vintage vinyl style.

Sea Cruise Dance – with Rico Cantu 2/26/27

Captain's dinner elegance? Pooldeck casual? Cruiseship chic? You choose — just don't forget your coverup if you're "coming from the pool."

Annual Luau Dance – with Rewind 3/3/27

Hawaiian shirts, leis, bright florals — bring the island sunshine.

Bruce Boudreau Returns – 3/6/27

Another great night to dress bold, fun, and ready to dance.

50th Anniversary Celebration Street Dance with Rico Cantu 3/12/27

This is a milestone — dress festive, celebratory, and ready for photos.

Farewell Dance – with Steven May & The Southern Knights 3/27/27

As you prepare to head north a year from now, join us for one last night of music, memories, and a dance floor full of friends.

*Note: Events can change due to unforeseen issues!

General Reminders

Post Office Box Procedures

It is important that everyone receive their mail in a timely manner and in the correct post office box. In order to assist this happening, and ensure that mail is not returned or put in the incorrect box, please follow these procedures:

Residents

Each street address should have one mail box assigned by the Office. The Office should be notified of the following:

- Any resident change in name,
- Any resident change of address especially within the park,
- Any visitor that may receive mail.

The SRV office must be notified when residents return in the fall, leave in the spring, or have new people living in their home. Inaccurate information may result in mail being returned to sender. PLEASE make sure your Unit number is included in your address. Improperly addressed mail may also be returned to the sender. If you are going on a trip and wish to have your mail held, please contact the Weslaco Post Office at (956) 968-7412.

Renters

Renters shouldn't be given mail box keys by the property owners. If the Office and/or Post Office is not notified of the renter information we do not know who is using the box and mail may be returned or misdirected. (We also put names on the boxes inside the mail building to help the USPS, if we do not know the name we cannot label the box.)

Renters need to contact the office and get their own mailbox. They should pick up the key from the Office and return it to the Office when they leave. This assists in the accurate tracking of empty boxes for reassignment. (If a renter returns to the same house annually, they can keep the same box, but need to notify the office.)

Blocks

If using a block in the box, allow enough time for the mail to be forwarded before placing the block and, when you return, remove the block as soon as the forward is requested. If mail is delivered and there is a block in the box the mail will be returned. The Office will be happy to assist with placing or removing blocks.

Key Return

Any time a box will no longer be used by the current resident, the key must be returned to the office (e.g. sale of house, renter leaving for the season, etc.). The Post Office will not make duplicate keys (and they can not be made elsewhere) nor will they retool the box for a new key.

USPS Packages

Packages that are delivered to the Office by USPS (either because they are too large for the key boxes or the key boxes are full) will be available for pick up in the office lobby.

Architectural Requests

ANY change made to the exterior of your home or property requires Architectural Approval and a Permit. Forms are located in the office. Once filled out, two members of the Architectural Committee and a member of the Board of Directors must sign off on the request BEFORE work can begin. When approval has been given, a Permit will be issued and should be placed in a visible front window of your home. Any request that would require a variance of the SRV 9th Amended Covenants and Conditions must be taken to the full Corporate Board of Directors for approval.

Per SRV Covenants Article V.03: No structures of any kind, including MOBILE HOMES, may be commenced, erected or maintained upon the PROPERTIES, nor shall any exterior addition to, or change, or alteration therein be made until plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Committee.

Contractors In The Village

Reminder to all residents having work done by a contractor. All contractors are expected to register with the SRV office PRIOR to performing any work within the Village. **Contractor vehicles should all have a RED SRV CONTRACTOR PERMIT in their front window.** If you notice a vehicle without this form, please either send them to the office or report them to the office. **NO contractor vehicles should be left on SRV streets overnight.**

Rentals

The Office is keeping a list of people who would like to be renters in the Park and also a list of Owners who have rentals available (or that will be available). If you own a rental and would like to be on the list given to potential renters, please contact the Office with your information. As people call inquiring about available rentals, they will be given your contact number. And if you would like the list of people interested so that you can contact them, also contact the Office.

If you have a renter or no longer want potential renters to contact you, please contact the Office to remove your name from the owners list.
